Hi Daniel Wong,

How are you? I'm so excited that you'll visit Greater Bay Area next Sunday! I would like to show you some interesting places in Shenzhen.

First, we'll go to Shenzhen Safari Park in the morning. We'll watch white tigers. Then, we will feed the Capybara. They are so cute.

In the afternoon, we'll go to Mission Hills Ocean Worlds. We'll see a lot of sea animals such as sharks, white dolphins and whales. We will feed dolphins. They are so adorable.

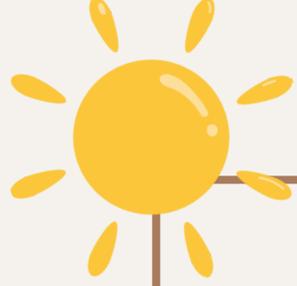

At night, we'll go back to Hong Kong. Then we will go to The Wai to eat Nabe Urawa to eat meat and hot pot for dinner. It is delicious.

It'll be a wonderful trip and we'll learn more about our country. I can't wait to see you!
