

Once upon a time, there was a girl named Linda **who** was selfish and greedy. Every time she ate with her sisters, she took all the meat but left the vegetables for her sisters so they were all thin and weak. She was also very lazy. Every time her parents worked in the field, she always slept under the big tree nearby.

One day, Linda saw an old woman holding a crutch in front of her. She shouted rudely, 'You silly old woman, you walk as slowly as a snail! Don't block my way!' The old woman was **so angry that** she took out her magic wand and cast a spell. With **a flash of light**, Linda was turned into a pig. Linda was **so scared that** she **begged for** the old woman's **mercy**, 'Please help. I don't want to be a pig **for the rest of my life.**' The old woman replied, '**Only if** you can be polite and hard-working.' Linda shouted, 'I promise!'

At last, the old woman turned Linda back into a human and **vanished**. From that day on, Linda became a kind and polite girl. Kindness always wins. It is never wasted.

### Linda's lesson

Once upon a time, Linda was selfish and greedy. Whenever she ate with her sisters, she would always take all the food she liked and never shared. She was also lazy because she never helped with chores.

One day, Linda walked along a road. There was an old lady walking slowly blocking Linda's way. Linda was annoyed and rude so she shouted angrily, 'Don't block my way!' The old lady heard Linda shouting at her rudely and felt angry so she took out a magic wand and turned Linda into a pig. Linda was shocked and confused. She begged the old lady to turn her back to normal. The old lady saw her begging for forgiveness and said that, 'You need to apologize to all the people you've been rude to, after that you will turn back to normal.' Linda oinked in excitement, 'Oink! Oink! Oink!'

After that, Linda apologized to all the people she'd been rude to and turned back to normal. She felt glad.

At last, she learnt not to be rude, greedy nor lazy.

### Linda's lesson

Once upon a time, there was a girl called Linda. She was lazy and greedy. She never shared and helped others.

One day, Linda was walking to her friend's house to play. Suddenly, she saw an old woman walking in front of her. Then she shouted angrily, 'Hey! Get out my way! Linda was shouting loudly that scared the old lady.

The old lady said, 'You messed with the wrong person!' Then the old lady used a magic wand to cast a spell on Linda. 'May you turn into a fat pig!' said the old lady. After a second, Linda was turned into a fat pig. She was as ugly as a toad. Linda wanted to say something to the old woman but she could just say 'Oink! Oink!' Linda was confused.

After a while, she finally realized that she was a pig. She could do nothing but followed the old lady to live. After a year, the selfish Linda really realized that she was wrong and apologized to the old lady. The old lady turned Linda back to normal. She felt relieved.

At last, she learnt that she should not be selfish nor rude.
