

My favourite activity

My favourite activity is playing with my friends because it is fun. At weekends, I play with my best friend Elsa at the park. She is funny.

At the park, we make new friends. We feel very happy. I enjoy playing with my friends very much.

The Activity I Like Best

My favourite activity is playing basketball because I like to work as a team. I play basketball at seven on Friday night. I play basketball in the basketball court.

I play basketball with my friends. It is fun and healthy. It can make me grow taller. I enjoy it very much. 😊

My favourite activity

My favourite activity is playing with LEGO bricks. I like it because it is fun.

I sometimes play it at weekends. I play it at home. I always play it with my father.

I learn many LEGO skills and I enjoy playing with LEGO bricks with my father.
