

My favourite holiday destination

By Scarlett Wong

My favourite holiday destination is Okinawa, Japan. It is in Asia. I have been there twice.

I went there in January in 2025. I visited Okinawa Churaumi Aquarium. I saw whale sharks and many fish there. They are so beautiful. Next, I swam and had sunbath at the beach of Onna. I felt so amazed. Then I ate sushi, sashimi and tempura. There are also many choices of sweets and snacks. I also ate Japanese curry. The taste was so spicy.

Blue Cave is the best spot for diving. We met sea turtles, clownfish, beautiful coral and multi-colored fish. All the fish swam so close me. I could touch them.

I think Okinawa is a beautiful and interesting place. I want to go to Okinawa again because there are beautiful beaches, historic places and yummy food. I want to dive in Blue Cave when I grow up. It should be unforgettable in my life!
