It is my birthday today. I am nine years old.

In the morning, my family took me to a beach. We swam in the sea and built a sandcastle. It was fun. Then we had a buffet lunch in a hotel. We had a cake, orange juice, fruit and muffins. I am still very full now.

In the evening, we had a birthday party at home. We ate a birthday cake and drank some juice. After that, my family gave me a card. I was glad.

I was very happy today! I had a wonderful time!

It is my birthday today. I am nine years old now.

In the afternoon, my mum took me to the Music Centre and I played the piano there. After that, we went to a restaurant. We ate some noodles, chicken wings and drank some cola. I was hungry so I ate a lot.

In the evening, we had a birthday party at home. My friends came too. We played TV games and unwrapped the gifts. My mum bought me a big toy gun. Then I played gun games with my friends and ate some cakes.

We were very happy today. I enjoyed my birthday very much.
