

Birthday Present for David

It is Saturday. Winnie and Joe want to buy David a present for David because it is his birthday.

Then, they go to a toy shop. They want to buy a big toy car. It is fifty-five dollars. But they only have fifty dollars. Joe says, 'Oh no! We can't buy the toy car!' We don't have enough money.' They feel worried and disappointed.

At last, they go to ABC Toy Shop. The toy car is only forty dollars. They have enough money. They are glad. They give David the gift. David is very surprised and says, 'Thank you, my friends!'
