

Pirate Sam

Sam had a map. The bird said, "Do not look." But Sam looked at the map. He saw a red box on the map. He wanted to get the box. He went to the yellow sand. He needed to go across the log. He went up the blue steps. He looked in the red box. There were a lot of spiders. The bird said "RUN!" Sam ran to his boat.

You did a
good job.
Well Done!

Ms Ng

I think Sam is naughty
because he didn't listen to
the bird.

I think Sam is greedy because he wanted to get the red box without thinking what's going to happen.
