

Sam's birthday

Yesterday was Sam's birthday. His dad gave him a birthday present. That was a toy jeep. It was blue and painted with fire on both sides. Sam's dad said, 'This present is for you only!' That's when Sam found out his name on the top! Sam opened the package excitedly and couldn't wait to take it to the park, put it on the ground and play. He used the remote control to set the toy jeep a difficult pose.

Suddenly, two five-year-old boys came to look at Sam's toy jeep and exclaimed, 'Wow! So cool!' Sam felt amazed after they said that.

However, the boys came too closely to Sam's toy jeep. In order not to hurt them, Sam had to stop his car. Unexpectedly, one of them reached out and took his toy jeep away! Sam was angry. He shouted, 'Hey! You little robber! Stop!' The boy didn't listen to him but kept holding the toy jeep in his arms.

Then, Sam yelled, 'Stop! The toy car is mine!' The boys said the toy car didn't have his name on it. Why would it be his? Sam pointed to the top of it. The boys froze, embarrassed as they returned the toy jeep to Sam.

At last, Sam told his friend about this event. His friend replied, 'That's embarrassing. Well...I haven't seen your model car. May I have a look some time?' Sam cheered, 'Welcome anytime!'

Sam's birthday

It was my best friend Sam's birthday yesterday. His father bought a present for him. It was a model car which was cool. Sam felt excited and he said thank you to his father.

After a while, he went to the park and played with the model car with a remote control. He felt amazed. After three minutes, two boys came to the park. They saw the model car and shouted, 'Wow! That is the latest car! Very cool!' The two boys felt amazed too.

Suddenly, they took away the model car and ran away. Sam chased after them at once and shouted, 'Hey! Give the model car back to me! Naughty boys!' Sam was angry. He thought the boys were too naughty. Then, the boys' father stopped them and said, 'Ken and Tim, you can't do this because the model car is not yours. If you want to play with the model car, you need to ask that boy.' So the boys gave the model car back to Sam and asked, 'Sorry! Can you forgive us?' Sam said, 'Of course! Let's play together.'

At last, they played with the model car together. Sam learnt that sometimes instead of shouting at other people, you can just talk to them and tell them what they are doing is wrong.

Sam's birthday

Yesterday was Sam's birthday. His father bought him a model car. Therefore, Sam was over the moon.

After that, Sam went to the park and played with the model car. Then he used the remote control to control the model car. Two kids came and took the model car. Sam was very displeased. He said, 'Stop! Naughty boy. Don't touch my model car. Give the car back to me!' Sam was as angry as a bull.

Just then, the boys said, 'We are so sorry because we think your car is very beautiful.' They wanted to borrow from Sam. 'Will you forgive us?' they said. Sam said, 'No, I want to punch you.' Then the boy's father said, 'Please don't punch them!' Sam laughed, 'I am just joking, ha ha! I have forgiven them already.'

Finally, Sam shared his model car with the two boys. They played happily.
