An Unforgettable Birthday

It was Mum's birthday last Sunday. My dad took us to a Japanese restaurant. We ordered soup noodles, salad, sushi and tempura. The food was yummy and tasty. We felt delighted and cheerful.

Suddenly, Dad gave Mum a birthday cake. Mum was surprised. Then we clapped and sang a birthday song to her. After that, Mum made a wish and blew out the candles. We enjoyed the tasty birthday cake.

After eating, Dad checked the bill. He shouted, "Oh no! I forget to take more money!" I cried, "What can we do?" Dad was embarrassed. We were shocked. Luckily, Mum had one hundred dollars. She gave it to Dad. Dad was glad. He said, "Thank you!" Mum said, "You must check your wallet when you go out! But thank you all for giving me an unforgettable birthday!"
